

[Intro: Pitbull]

Ask for money and get advice, huh

Ask for advice, get money twice, huh

I'm from the dirty, huh, but that chico nice, ha

Y'all call it a moment, I call it a life

[Pre-Chorus: Christina Aguilera]

One day while my light is glowin'

I'll be in my castle golden

But until the gates are open

I just wanna feel this moment

[Chorus: Christina Aguilera]

Woah-woah

I just wanna feel this moment

Woah-woah

I just wanna feel this moment

[Interlude: Pitbull & *Christina Aguilera*]

[Verse 1: Pitbull]

Reporting live from the tallest building in Tokyo

Long ways from them hard ways, filled with zoes and oye's
Dade County always, 3-0-5, all day

And, now, baby, we can parlay or, baby, we can party (Heh)

She read books (Hahaha), especially about red rooms and tie-ups
(Yeah)

I got her hooked, huh

'Cause she seen me in a suit with the red tie tied up
Meet and greet, nice to meet ya
But time is money, only difference is I own it
Now let's stop time and enjoy this moment, dale (Woo)

[Pre-Chorus: Christina Aguilera]
One day while my light is glowin'
I'll be in my castle golden
But until the gates are open
I just wanna feel this moment

[Chorus: Christina Aguilera & *Pitbull*]

Woah-woah (*C'mon*)

I just wanna feel this moment

Woah-woah (*Ha, yeah*)

I just wanna feel this moment

[Drop: Pitbull]

Woo

Come on, feel this moment

[Verse 2: Pitbull]

I see the future but live for the moment

Make sense, don't it? Ha

Now make dollars, I mean billions (Yeah)

I'm a genius, I mean brilliant (Brilliant)

The streets is what schooled him (Schooled him)

And made him slicker than Slick Rick the Ruler

(Yeah)

I've lost a lot and learned a lot

But I'm still undefeated like Shula

I'm far from cheap (Ah-haha)

I break down companies with all my peeps (That's right)

Baby, we can travel the world

And I can give you and all you can see

Time is money, only difference is I own it

Like a stopwatch, let's stop time

And enjoy this moment, dale (Woo)

[Pre-Chorus: Christina Aguilera]
One day while my light is glowin'
I'll be in my castle golden
But until the gates are open
I just wanna feel this moment

[Chorus: Christina Aguilera & *Pitbull*]
Woah-woah (*C'mon*)
I just wanna feel this moment
Oh, woah-woah (*Ha, yeah*)
I just wanna feel this moment
[Drop: Pitbull]
Woo (*C'mon*), yeah (*C-come on*)
Feel this moment

[Chorus: Christina Aguilera]
Woah-woah
I just wanna feel this moment
Woah-woah
I just wanna feel this moment
