

[Pre-Chorus: Ne-Yo]

I knew my rent was gon' be late about a week ago (Hey)

I worked my ass off, but I still can't pay it though (Woo)

But I got just enough to get off in this club

Have me a good time, before my time is up

Hey, let's get it now

[Chorus: Ne-Yo]

Ooh, I want the time of my life, yeah (*Mr. Worldwide*), oh, baby

Ooh, give me the time of my life (*Ne-yo*), hey, hey, hey

Let's get it now

[Verse 1: Pitbull]

This the last twenty dollars I got

But I'ma have a good time ballin' tonight

Tell the bartender, "Line up some shots"

'Cause I'ma get loose tonight

She's on fire, she's so hot

I'm no liar, she burned up the spot

Look like Mariah, I took another shot

And told her drop, drop, drop, drop it like it's hot

Dirty talk (Hey), dirty dance (Hey)

She a freaky girl (Hey) and I'm a freaky man (Hey)

She on the rebound, broke up with her ex

And I'm like Rodman, ready on deck

I told her, "Wanna ride out?" And she said, "Yes"

We didn't go to church but I got blessed

Tonight, I'ma lose my mind

Better get yours 'cause I'm gon' get mine

Party every night like my last

Mami know the drill, shake that ass

Go ahead, baby, let me see what you got

You know you got the biggest booty in this spot

And I just wanna see that thing drop

From the back, to the front, to the top

You know me, I'm off in the cut

Always like a squirrel lookin' for a nut

This is a fo' sho, I'm not talkin' 'bout luck
I'm not talkin' 'bout love, I'm talkin' 'bout lust
Now let's get loose, have some fun
Forget about bills and the first of the month
It's my night, your night, our night, let's turn it up

Everybody goin' through something
(Everybody goin' through something)
I said, everybody goin' through something
(Everybody goin' through something)
So you might as well roll it up
Pour it up, drink it up, throw it up tonight
I said, everybody goin' through something
(Everybody goin' through something)
Ayy, said, everybody goin' through something
(Everybody goin' through something)
So you might as well roll it up
Pour it up, drink it up, throw it up tonight, oh, yeah, yeah

[Interlude: Pitbull]

This for everybody going through tough times

Believe me, been there, done that

But every day above ground is a great day, remember that
